

# Join Us for Year Two of the Voices for Nurses Podcast!

As we embark on our second year of the *Voices for Nurses Podcast*, we invite you to subscribe and gain valuable insights from Michigan's nursing professionals. This podcast serves as a platform for nurses to connect with guest speakers and dive into critical issues shaping Michigan's healthcare system.

Episodes will explore key topics such as:

- Mentorship and leadership in nursing
- Nursing care in our communities
- Thriving through self-care
- Diversity, equity, and inclusion in healthcare
- Fostering nurse leadership for meaningful change
- ... and much more!

Presented by ANA-Michigan, *Voices for Nurses* brings expert guests to share their knowledge, experiences, and perspectives with our listeners. Whether you're a nursing student, a seasoned professional, or simply passionate about healthcare, this podcast is designed to inform, inspire, and empower. ■
